NUMBER 147

COUNTY AWAITS SANTA CLAUS

H. S. Festival, Eagles Party, Church Services Major Public Events

In a broad view, El Dorado County is ready and awaiting the arrival of old Santa Claus on Sunday night and the prospects are that everything will be done that can be done to insure for everyone A Merry Christmas.

Principal public observances of the season include the Christmas Festival at the high school this (Thursday) evening; the annual Eagles party for the children of the county at the Empire theater on Friday afternoon; and the special services in the various churches of the community which are noted in the usual column of church announcements.

Generally, schools of the county will close on Friday afternoon for the holiday season and will re-open on January 8th. The Festival at the high school constitutes their closing program, and in grade schools generally throughout the county Christmas programs have been held or are yet to be held during this week.

Civic and fraternal groups in the county have been co-operating with the county welfare department to insure the distribution of Christmas baskets and although this work is as yet incomplete, it was announced Thursday morning that it is apparent that in excess of thirty baskets will be distributed to brighten Christmas Day in as many homes.

Among the groups which are participating in this work are the Girl Scouts, who are sending a basket to a family of ten persons; the Boy Scouts, who will send one basket and who have contributed in addition a large amount of materials including toys, books, clothing, candy and nuts; Placerville Assembly, Order of the Rainbow for Girls, which will send three baskets; El Dorado Chapter, Order of DeMolay, and the Placerville Soroptomist Club, which will send four baskets each; and the Placerville Lions, who will send fourteen baskets.

Other groups are assisting in the work, among them the American Legion Auxiliary.

Eagles Hosts To Children

Annual Party Friday At Empire Theater; Santa To Be There

Every little child in the county who wants to come to Placerville will be the guest of Placerville Aerie of Eagles Friday afternoon at the aerie's annual Christmas party for the children to be held at the Empire theater, starting sharply at 2 o'clock.

At least that is the intention of the Eagles.

They have co-operated with the schools throughout the county and have arranged for transportation of children who will require it from their homes to Placerville and home again after the party.

And so, with transportation taken care of, there's no reason why any child who wants to attend the party should not do so.

The aerie drill team, in uniform, will serve as ushers and chaperones for the children.

The theater will open at one-thirty o'clock. Half an hour later a specially chosen picture program will start and at the close of the movies, Santa Claus will pay his regular visit and will distribute a gift for each of his little friends.

Bob Reeder heads the aerie's committee in charge of the party.

LEONA REBEKAH LODGE HAS CHRISTMAS PARTY

Following the meeting of Leona Rebekah Lodge No. 30 on Monday night, there was a Christmas tree and program which remembered also the December birthday anniversaries of members of the order.

The formal program of the evening included community singing of familiar songs associated with the Christmas season, a piano duet by Frances Ruud and Lorena Sherman, a solo by Lorraine Cullers, a vocal duet by the Mesdames Ruud and Sherman, and a reading by Mrs. Ida Bailey.

Fred Schenck was in town Wednesday from near Shingle and complimented us with a call.

H. S. CHRISTMAS FESTIVAL TONIGHT LURES THONG

The annual Christmas Festival at the high school will be held at the school auditorium opening at eight o'clock this evening.

The festival is presented each year as the school's contribution to the spirit of Christmas in the community. No admission is charged and no seats in the auditorium are reserved.

Those who attend will have op-

portunity as they enter or leave the building to contribute to a free will offering which will be turned over to the local Red Cross chapter for relief work.

The festival will be built around a play of the nativity, "Come Let Us Adore Him," and is made possible by the joint efforts of virtually every department of the school under the general supervision of Mrs. Gladys Veerkamp.

COUGARS LOSE TWO GAMES

Bees Only Team Able To Get By San Juan In Wednesday Night Series

The Cougars took part in a three-game basketball series at San Juan high school Wednesday night, celebrating the formal opening of the new San Juan high school gymnasium, and came away with one victory and two defeats.

The Bees were the only Cougar quint able to take the measure of the Spartans, winning 19 to 13, while the Cougar Cees lost 20 to 16, and the A team trailed 25 to 21, with one of the San Juan baskets credited to Cougar Rossi.

This marks the end of the Cougar basketball trail for this year in inter-school competition, and the next scheduled games will take place on January 5, when the Cougars open their Mother Lode league schedule with Jackson invading the local field.

Bill Rupley was high point man for the Cougar babes with five points, which didn't measure up to the twelve points bagged by Hockett, for San Juan. The Cougars were behind 3 to 1 in the first quarter and half time showed the score 8 to 5, still trailing. The Cougars perked up in the third period and got six points, but San Juan got eight and in the last period the Cougars had a one-point margin, 5 and 4.

The B team game saw Johnson high for the Cougars with seven. The Cougars made it eight to 2 at the quarter and 9 to 4 at half time. At the end of the third period it was 14 to 8 to close 18 to 13 as the Spartans came to life in the last period.

San Juan trotted out a bunch of tall fellows for the A team game but despite this the Cougars prevailed only 12 to 10 at the half.

In the second half the Cougars claimed eleven and San Juan thirteen, to give them a total of 25 as against 21 for the Cougars. Sweeney was high point man for the Cougars with eleven. Boggs got two, Edelman six and Killian 2—and then there was the field basket Rossi scored for San Juan.

Skiers Nominate Queen Candidate

Virginia Casselman To Represent Club At Valley Sports Carnival

Miss Virginia Casselman, of Placerville, daughter of Mr. and Mrs. C. J. Casselman, of Richmond, will represent the Placerville Ski Club as their candidate to become queen of the Sacramento Winter Sports Carnival at the capital city on January 6th.

This is according to an announcement Thursday morning by Adolph Martin, chairman of the ski club's committee in charge of the contest conducted to nominate a candidate.

In the contest, the entries were awarded points upon the basis of the number and type of ski club memberships for the current season that they obtained and the contest closed on Wednesday evening.

When the points were tallied on Thursday morning it was found that Miss Casselman had a total of 1,350 points, and Miss Crowell, her opponent, had 990 points.

Various other Northern California winter sports clubs will participate in the sports carnival and will enter candidates for election as "queen." The one who is selected queen of the carnival will receive a wrist watch and the girl who is second choice will also receive a wrist watch.

Mrs. Ednah Kyburz was among those in town Tuesday from the Kyburz vicinity.

They inform the public concerning tuberculosis through talks, leaflets, motion pictures and every means of communication.

LENDING ASSISTANCE TO THE observance of Christmas in the community, Placerville Lions made it a rule that each member who attended the club's meeting Tuesday of this week should take with him a toy of nominal value which would be used in Christmas baskets being sent to needy families throughout the county. Above are some of the Lions admiring some of the gift packages. In the picture, left to right, Lion President L. R. Arnes, Lion M. T. Kelly, chairman of the Christmas basket committee; Lion Woodward Fox, chairman of the welfare committee; and Lion Secretary Arthur Mart.—A Democrat Photo.

RUSSIANS PLANES RAID FOUR TOWNS IN FINLAND

Finn Ground Troops Report Holding Line Firmly And Smashing Red Tanks In Assault; Argentina Buries Nazi Captain As Hero

HELSINKI, Finland. (UPI)—Soviet airplanes flying in waves along the south coast bombed Finnish cities again today but the Finnish armies reported that they celebrated the birthday of Josef V. Stalin by throwing back new Red attacks on three fronts.

Among the cities raided during the day were: Helsinki, where at least one man was killed; Aabo where 15 buildings were reported burning and where one Russian bomber was reported shot down; Viipuri, where there were three separate raids; Tammerfors, where there were several fires and one known dead. Three or four different raids were made on each city.

Soviet airplanes strafed two railroad trains on the south coast Finnish officials said. Two persons were killed and two wounded.

FINNS SMASH TANKS

WITH THE FINNISH ARMY ON THE MANNERHEIN LINE. (UPI)—Russian troops attacked heavily on the Mannerheim line of Finland for the 15th day today, in bright sunshine, on glistening snow and at a sub-zero temperature.

The Finns have held their lines firmly at all points and during last night and the early hours of this morning, smashed eight more Russian tanks. This total for two days was 20, according to official tally.

BRITAIN RUSHES PLANES

LONDON. (UPI)—Great Britain is rushing production of a new type of fighter plane to combat the two-seater Messerschmitts which the Germans used in a big five-hour air raid fight over Heligoland Bay Monday, it was reported today.

Faster and more powerful than the crack Hurricanes and Spitfires of the Royal Air Force, the new plane already has been tested and has been put into full production, it was said.

Parents Of Placerville

Woman Wed 50 Years

Christmas Day will be a very special occasion for Mr. and Mrs. William J. Thomas, parents of Mrs. Irma Fisher, of Placerville, for on that day they will observe their golden wedding anniversary at their home at Herald, Sacramento County.

Mr. and Mrs. Thomas, both natives of California, have lived all their married life on their ranch. They are the parents of ten other children in addition to Mrs. Fisher, and have twenty-eight grandchildren and four great-grandchildren.

Declaration of their intention to wed was filed Wednesday with the county clerk by W. Ellsworth Miller, 34, and Muriel Hermle, 36, both of Placerville. The declaration was accompanied by the necessary medical certificate.

Table decorations were of mistletoe with tall red candles. A cake was presented to District Deputy President Maude Panning, and at the children's table there was a birthday cake for Phyllis Grover.

Gifts were presented to all in attendance.

C. C. Herbert, forest road superintendent, is on annual leave.

STATE STUDIES FAIR FUNDS

Survey Will Be Basis For Reapportionment Of "Take" On Racing

SACRAMENTO. (UPI)—A survey is being made of expenditures by county fairs and expositions to determine what reapportionment of horse racing funds should be sought at the special session of the legislature in January, the state finance department revealed today.

Al Snider, chief of the newly created division of fairs and expositions, will recommend a rigid curtailment of state aid on the basis that money now allocated is being wasted. Snider explained the number of fairs has grown from five, when horse racing was legalized, to a total of 63 because of the large returns from racing.

Proposed legislation would raise the state's "take" from the pari-mutuels from four to eight per cent but would restrict the portion going to the fairs. The California State Fair in Sacramento probably would receive more money but the county and smaller fairs would be regulated on some yardstick of attendance or population.

Eastern Star Heads Seated

Mrs. Jessie French, Husband New Heads For Mountain Fern Chapter

Installation of officers of Mountain Fern Chapter No. 62, O. E. S., at Georgetown, was held on Saturday night and the new corps of officers is headed by Jessie French as Worthy Matron, and her husband, George A. French, as Worthy Patron.

The outgoing Worthy Matron, Lettie French, and outgoing Worthy Patron, Edward Cheek conducted installation assisted by Zella Healy as acting marshal and Josephine Carlin as honorary marshal and chaplain.

In addition to the Worthy Matron and Worthy Patron, the following officers were installed:

Delia Carrick, associate matron; John Carrick, associate patron; Alta Douglas, recording secretary; Hattie E. Presby, treasurer; Mae Higgins, conductress; Kathleen Richardson, associate conductress; Ida May Jerrett, chaplain; Lettie French, marshal; Gladys Collins, organist; Ethel Irish, Adah; Leah Schlein, Ruth; Nellie Vanderwater, Esther; Hattie Davey, Martha; Nellie Schlein, Electa; Dora Crawford, warden; and Dwight Douglas, sentinel.

The impressive ceremonies were interspersed with beautifully rendered solos by Mrs. Ethel Johnson, assisted at the piano by Gladys Collins. One number, "Alice Blue Gown," was dedicated to the new Worthy Matron, who was also made happy by receiving a beautiful shower bouquet of red rose buds from Oakland friends and a card signed by fifty-four members of a chapter at Los Angeles, where she had formerly been a member.

The hall was elaborately decorated by Orrin French for the occasion with graceful ferns, holly berries and yellow chrysanthemums.

After speech making and the presentation of an insignia ring to the past matron, who in turn presented the past patron with a gift, the members repaired to the lower hall to partake of a bountiful potluck supper. Visitors included Mr. and Mrs. Ole Johnson, of Sacramento; Mrs. Josephine Carlin, of Los Angeles and Mrs. Horace Dunn and the Misses Inez Veerkamp, Laura Ball and Ruth Henson, all of Fallen Leaf Chapter No. 90, of Placerville.

Hearing On Shingle License Continued

A hearing before an examiner for the State Board of Equalization in the matter of the liquor license held by the Red Diamond, now known as the Gold Nugget Cafe, at Shingle Springs, was continued without date Thursday morning.

Principal witnesses in the hearing were Sheriff George M. Smith and Deputy R. W. Jones, both of whom are out of the county on official business, and the hearing was continued to be definitely set following their return.

WE'D like to send Christmas Carolers to sing under the window of each of our customers—but that would be a little too much vocalizing for one city—so we'll say it here—Merry Christmas.

LEGION HAS CHRISTMAS PARTY, SANTA ON WEDNESDAY

Members of El Dorado Post No. 119, American Legion, and their families, had a Christmas party on Wednesday night at the War Veterans' Memorial Building, at which there was a Christmas tree and a distribution of presents for the children.

Santa Claus popped onto the scene, right out of the fireplace, and received an enthusiastic welcome.

The program for the night, which included dances by Joyce Irwin and by Evelyn Lyon, was arranged under the supervision of Don M. Hoffman through whose good offices Santa Claus was present.

SCOUTING

Troop 57

Scouts from all the troops in town have been busy for the past week putting toys together, repairing toys, and gathering up cast-off articles of all kinds. The re-finished toys and the clothing will be donated to the Welfare Committee, and the food, along with some of the toys and clothes, will be put into a basket—a great big 17 pound turkey among other things—and given to some poor family. Thus do the Boy Scouts do their part for the community.

Scout diaries were dished out to each boy at our last meeting. These little books contain information on every subject imaginable, so if you need an encyclopedia, just call on a Boy Scout; he's just as useful.

Placerville Couple Get Reno Wedding License

LINDBERGH RESIGNS FROM ADVISORY COMMITTEE ON AERONAUTICS

WASHINGTON (UPI)—White House Secretary Stephen T. Early disclosed today that Col. Charles A. Lindbergh has resigned from the National Advisory Committee for Aeronautics.

The President has appointed Brig. Gen. Walter G. Kilner to succeed him.

Kilner, who succeeds the "flying colonel," retired Dec. 1 as assistant chief of the army air corps.

NACA Chairman Vannevar Bush wrote Mr. Roosevelt that Lindbergh had informed him that he did not expect to concentrate his attention on aeronautical matters in the future. Bush said that Lindbergh, in resigning, had offered to consult with the committee in an advisory capacity if requested to do so.

COLLEGE OF PACIFIC LOSES TO HAWAII ALL-STARS

HONOLULU (UPI)—The brilliant ball-carrying of Jud Atchison, former Texas University star, gave the Heelanians an 18 to 7 victory over the College of Pacific football team before 8,000 persons here last night.

Atchison personally scored two touchdowns for the town team and passed to Morse for the third. Bill Thomas, Tiger halfback, was removed in the first quarter with a leg injury, which handicapped Pacific's offense.

RENO GRETNAGREEN

RENO, Nev. (UPI)—This city claims it is entitled to the slogan of "The Gretna Green of the West." Despite its publicity about divorces, marriages here exceed the divorces by six to one. Most of the marriages are by persons who have just been divorced.

Sports Parade

By HENRY MCLEMORE

EL PASO, Tex., (UPI)—The more I hear of the Sun Bowl football game which will be played here on New Year's Day, the more I am tempted to swap my doublebreasted blue serge for a pair of chaps, my hamburg for a ten gallon Stetson, and stay here instead of going to the Rose Bowl.

One of the teams that is going to play in the Sun Bowl is Arizona State College of Tempe, a bustling little town in the Salt River Valley just outside of Phoenix. The college song is "Home on the Range," the team mascot is a little dogie, the school flower is the cactus, the buffalo and antelope play on the campus, the sky is blue all day, and anyone who dares to say a discouraging word about the team's chances against Catholic University on New Year's Day is liable to be plucked by a six shooter.

It's a rootin', tootin', ki-yi-yippeeay football team of cowboys, and the only thing the referee has to watch for is to see that the tackles and guards take off their spurs before the kick-off. That, and warning the safety man against lassoing an opponent who breaks loose on a long run.

The star of the team is Wayne (Ripper) Pitts, who comes out of

the huddle like a bronco out of the chute. He has played three years and no one has broken him yet. He tears into an enemy line like a stampeding Buffalo, and runs the ends like a scared pinto, a real cowboy when he isn't playing football. Pitts is a tremendous defensive player, largely because he uses his bulldogging ability to tackle.

He nags his man high around the head works down to where the horns would be, and lets him have it. My guess is that he will brand some of those dude easteners from Washington, D. C., before the game is over. Pitt ripped off 457 yards from scrimmage during the conference schedule and scored 52 points. His punting average was 35.42, he threw two touchdown passes, and kicked ten extra points.

Arizona State is coached by Dixie Howell, the Alabama sharpshooter who is not new to bowl games. In 1935 Dixie did the pitching and Don Hutson did the catching to beat the daylights out of Stanford in the Rose Bowl. Dixie has come along fast as a coach. This is his first real job and in two years he has taken the Arizona squad from nowhere to the border conference championship. His team specializes in just open, and aggressive football.

The report I get is that the Arizona boys will come over from Tempe via horseback, and that already they are saddling paints; cayuses, strawberry roans, palominas, and pintos for the trip. They'll ford the Salt River just to toughen up, and will eat from a chuck-wagon en route, with jerky as the standard dish.

The Catholic U. team won't be entirely lost in the western surroundings of the Sun Bowl, as it has on its squad of full-fledged Indians, Joe Guyon, Jr., a son of the big chief who ran wild on southern gridirons as a Georgia Tech half-back. If Junior is half as good as his father was, feathers will fly in the Sun Bowl.
